

## MEMBERSHIP BENEFITS

Portsmouth Public Media, Inc. (PPMtv) is a non-profit 501(c)3 organization. Our mission is to provide the tools, training, and resources necessary for creating and sharing news, views, and information relevant to residents, non-profit, and business organizations of the greater Portsmouth area. PPMtv is broadcasting on Comcast channel 98 and online at [ppmtvnh.org/live](http://ppmtvnh.org/live).

### STUDIO SPACE

As a member you will have access to our two unique production stages in the historic South End Meeting house. Either of our two stages can be reserved for rehearsals, photo-shoots, and tapings. Our facilities currently include green screens, a 720 square foot infinite white space, and a four camera control room for mixing audio and video. We offer versatile lighting options and backdrops.

### FIELD KITS

As a member you can sign out a field kit for remote recordings.

Currently the kits contain:

- SDHC camera
- tripod
- audio boom
- wireless microphones
- portable lighting equipment

### COMPUTER LAB

When it is time to edit we have six Apple computers loaded with software including: Final Cut Pro, Adobe Premier, After Effects, Photoshop, Motion, and Garage Band.

### WORKSHOPS/CLASSES

Members receive a discount on workshops and classes. Learn how to produce and edit your own show or meet and assist others with their projects. Classes that have been offered in the past include: Single Camera Field Production, Multi-camera Studio Production and Intro to Post Production Editing. If you have a talent for video production, consider joining PPMtv to mentor other members.

Join a growing **COMMUNITY** of creative media makers on the Seacoast.
